Dairy Girl Network Announces 2018 Forward TogetherHER Conference

Manheim, Pa. – May 17, 2018... The Dairy Girl Network (DGN), an organization supporting all women in dairy by enhancing lives and creating opportunities, announces their second national conference to be held in Manheim, Pa., at The Warehouse Hotel on November 6-8, 2018.

Diamond V is proud to partner with DGN to bring the Forward TogetherHER conference to life for a second time. This event brings together dairywomen, both producers and industry members, to learn, grow and thrive. The Forward TogetherHER conference focuses on personal and professional development to help dairywomen learn, lead and succeed in their daily journey on the farm, at home and throughout our industry.

This conference is unlike any other dairy conference you'll ever attend. "This conference is a high energy conference," stated DGN founder and president, Laura Daniels. "We hope that you gain knowledge that you can take back to your farm, community or family. We also hope you gain from new connections and a much needed battery recharge."

The event will begin at The Warehouse Hotel on Tuesday, November 6th around noon with optional pre-conference sessions and registration will open at 4:00 p.m. The opening evening welcome event with an activity will begin at 6:00 p.m. on November 6th. November 7th will be full of great speakers and sessions that will connect fellow dairywomen, inspire them to continue on their path, and achieve their full potential. The closing session will end on the 8th at 1:00 p.m. Post conference details to come soon.

Early-bird registration is now available online at dairygirlnetwork.com The complete agenda and speaker list will be posted in mid May. Forward TogetherHER will feature over 25 speakers on topics from transition planning, calf care, animal welfare, managing people and even mental health, along with a singer/songwriter duo.

In addition to the conference portion, the event will also host its first Forward TogetherHER Showcase. The Showcase will be an opportunity for the DGN partners to display their booths and will also mix in local boutiques and ag businesses to give our dairywomen the shop experience. Existing partners along with conference sponsors will have the opportunity to display their companies and items during the
