Dairy Girl Network Seeking Press Corps Members for 2022

Cobb, Wis. – May 23rd, 2022... The Dairy Girl Network (DGN), an organization supporting all women in dairy by enhancing lives and creating opportunities, is seeking volunteers to join their Press Corps team for 2022!

The Press Corps is a group of DGN members selected to cover DGN events, highlight dairywomen, report on programs, add to DGN's social media, develop articles and much more! The goal of the Press Corps is to allow DGN members to creatively utilize their talents to help share events, news and information with the membership.

By becoming a member of the DGN Press Corps, volunteers will not only get more involved in the organization but will have the chance to showcase and polish their writing and reporting skills, have their work published and build their portfolio, get the inside scoop on DGN programs and events, and most importantly present important information to fellow dairywomen.

Press Corps applications can be found on <https://dairygirlnetwork.com/press-corps-application/> and are due no later than June 3rd, 2022. Late applications will not be accepted, so hurry and apply today! Volunteers must be an official member of the Dairy Girl Network.

If you have any questions, please contact Lynn Bartholomew, DGN Key Projects Lead, at contact@dairygirlnetwork.com.

The Dairy Girl Network connects all women of the dairy industry, encouraging ideas and camaraderie in an effort to achieve personal and professional development. Designed as a welcoming network of passionate women involved in dairy, relationships will grow through shared experience, support and inspiration.
